Not everybody is interested in the condition of our government in Washington. A percent such as race track people, Wall Street operators, and thousands of others never give a thought to the situation in Washington. Fifty million people last year spent 4 billion dollars on the race track. Another percent of liberals and leftists turned out of the colleges and universities the last thirty years do not care if the Marxists run Washington; in fact, they want to help them run it. Then we have another percent, that is growing rapidly, of people who think of and are concerned with what type of people have been appointed to strategic positions.

Unfortunately, for thirty years the colleges and universities have been turning out brainwashed, watered-down Americans who have no patriotism whatever, and they are well organized into a remarkable machine. They are mainly bookworms and Fabian socialists. Many are the students of **Harold Laski**, the communist at the London School of Economics who for years traded seats back and forth with **Felix Frankfurter** in Harvard. It was at the London School of Economics, under Harold Laski, that **JFK** received his education.

This thing has been spreading steadily like a Black Plague until patriotism in the United States has been pushed on the back shelf. This group, hooked up with foreign interests, has brought this country to the verge of bankruptcy. That means nothing to millions of people in the United States. That the United States has been brought

President John F. Kennedy, surrounded by non-Christians.

to its knees concerns a loyal Christian percent of the population to a point that they are almost ready to fight. When 3 percent of the population rules 97 percent with an iron hand, it is of much concern to Christian patriots. There is an organized brain cell at the back of this.

Many of this conspiracy have been in the government since **FDR** opened the gates wide to them. And before Kennedy was elected he realized he could not be successful unless he pledged his full cooperation to the **Americans for Democratic Action**, a

Jewish front. And he, like **FDR**, opened the gates to them. But there is no way to discover how many of the thousands that Kennedy has hired are Zionist Jews. However, after much research we give you a list here of **95 in key spots**. No doubt there are three times this many, and we will be grateful to any of our readers who can name others. We know for sure that more than **40 members** of the **Americans for Democratic Action** are in the Cabinet and close to Kennedy. Quite a number are **Rhodes scholars**. Bear in mind that of the thousands that have been appointed by Kennedy, all are of the **Left Wing**—not one is from the **Right**.

Read and inform yourself; otherwise your children and grandchildren are going to live under a police state, and your descendants will curse you for leaving to them such a **communist slave state**.

HANS A. ADLER, Budget Bureau expert; Assistant to Deputy Atty. Gen. **Meyer Feldman**.

JEROME ADLERMAN, Chief Counsel of Labor Department.

MORRIS ABRAM, Special Assistant and Adviser to Peace Corps; Officer **ADL**, Atlanta; Rhodes scholar; member of communist-infiltrated 20th Century Fund; helped write the infamous Marshall Plan; officer of United World Federalists; a CIA official; a trustee of Institute for Advanced Studies.

DID KENNEDY PLACE A COMMUNIST ON THE SUPREME COURT?

ARTHUR J. GOLDBERG, appointed to the Supreme Court by Kennedy, taking up where Felix Frankfurter left off, identified in the ADL Bulletin, Jan. 1961, page 8, as a member of the Washington, D. C., Board of Directors of the Anti-Defamation League of B'nai B'rith. Appendix 9 of the Special Committee on Un-American Activities, 1944, identifies him as President of the Chicago Chapter of the National Lawyers Guild at the time he sponsored the Chicago Conference on Race Relations, 7/22/39, a cited Communist-front operation. The National Lawyers Guild has been repeatedly

cited not only as a Communist-front but as the legal arm in the United States of the Communist Party. And Goldberg was President of its chapter outside of New York City! (p. 610). He was also a sponsor of the Washington, D.C., Conference on Constitutional Liberties in America, June 7-9, 1940, a cited Communist-front enterprise which launched the National Federation for Constitutional Liberties. At the time of the holding of this Conference, the Communist Party was working under the line determined by the Stalin-Hitler pact (p. 651). He was a sponsor of the National Emergency Conference which met in Washington on May 13-14, 1939 to map plans of action against a number of bills in Congress which would require deportation of communist aliens, enforce registration, fingerprinting, and imprisonment of communists, etc. This was a cited front (page 1206).

In 1956 Goldberg was a member of the administrative committee of the National Civil Liberties Clearing House of Washington, D.C., the advisory board of which included Walter P. Reuther. Its treasurer at that time was Herman Edelsberg (Jew), of the ADL; its vice-chairman included Irving Ferman (Jew), of the cited Communist-front American Civil Liberties Union and John J. Gunther (Jew) of the Americans For Democratic Action, a marxist political action organization. Representatives from the National Conference of Christians and Jews, the American Jewish Congress and the NAACP were co-members of the administrative committee with Goldberg. In 1957 Goldberg was still on the committee, along with a representative of the American Jewish Committee as Treasurer; Herman Edelsberg was Chairman and Kenneth Birkhead of the very pink American Veterans Committee was a new vice chairman. (See letterheads of NCLCH.)

In 1957 Arthur J. Goldberg was a member of the executive board of the Religion and Labor Foundation, a cited front organization which printed on the cover of their publication a picture of Christ stating that he was "wanted for Sedition, Criminal Anarchy, Vagrancy, and Conspiring to Overthrow the Established Government."

Co-members of the board with Goldberg included Communist-fronters Walter P. Reuther, James B. Carey, Henry Hitt Crane, Jerome Davis, Benjamin Mays, A. Phillip Randolph, and others. (See program for 4/24/57 Social Justice Award to Communist-fronters Herbert Lehman and Martin Luther King).

LAST BUT NOT LEAST

ADAM YARMOLINSKY, Assistant Secretary of Defense in charge of personnel (Harvard).

Years back the communists themselves had a law passed making it hazardous to call any man a communist. They are all trained to lie and to deny this; example: **Alger Hiss**. Were it not for this law we would call hundreds of people communists, as we know them to be. But it is almost impossible to prove, as they are backed up by clever lawyers. Yarmolinsky's mother **Babette Deutsch** is working every day tied up with communist fronts; also his father,

PUBLIC UTILITIES

Edgar H. Bernstein

Yarmolinsky admits that he attended several communist meetings. Many times he has attended the **American Youth Congress** meetings, which group has been declared by the Attorney General's office to be one of the most subversive organizations.

Yarmolinsky was chairman of a special screening committee that passed on 75 Kennedy appointments.

Salinger's Mother

The June 5, 1937 issue of the **American Citizen**, a northern California newspaper, reported on a planned summer camp "for the training of children in the theories and tactics of Communism." Among the members of the planning committee were communist **Harry Bridges**, "Fifth Amendment case," **Paul Orr** and **Mrs. Jehanne B. Salinger**, mother of Presidential Press Secretary **Pierre Salinger**.

From *The White Sentinel*, February 1963, page 5.

Laski, JFK's Teacher

"I know Laski," Hon. **Joseph P. Kennedy**, former United States Ambassador to Great Britain, told the Economic Club of Chicago on December 5, 1945. "He is an arrogant apostle of anarchy who has spent his time shuttling between Moscow, London, and New Haven peddling his particular brand of Socialism."

Laski was proven in Court in London to be a communist. He was J. F. Kennedy's teacher.

Catholics, Communism and the Commonweal

The communists are ripping the Catholic Church to pieces. The Jews, who are the most effective arm of the Marxists, have been in the forefront for several years, taking the priests to ballgames, inviting them to their clubs, and otherwise showing them special attention until some priests, who know nothing about communism, and some Catholic publications have taken over, and are doing a better job than the Jews could do at planting disunity within the Church. This disunity will be with us 50 years from now.

For several years the evil forces have torn the National Council of Churches apart so that thousands of Protestant church people have quit their churches. Now the Catholic Church, with 42 million members and 50,000 priests in the United States, is the No. 1 target to be infiltrated. Many devout Catholics do not know this is going on. They go to Mass every Sunday and listen to the priest in the pulpit. Seldom does one slant his talk against anti-communists; but in private some of them use a hatchet on good Catholic anti-communist patriots.

Twelve years ago I was invited to meet with some very big men at the New York Athletic Club. There were several millionaires, and one worth 20 million dollars. Talks were made by several prominent men, the idea being to get me 50 thousand dollars, and one man said he would write his check for a half million. At this point a Wall Street man, a non-Catholic, rose and said, "We don't have to fight commu-

nism as long as the Catholic Church is in existence." I told him I had been in this work many years and that I challenged anybody to show that the Catholic Church had ever turned its hand against communism; that the Church could not fight communism because its priests did not know what it was. I went home without a dollar.

I have told many priests that the Church should set up an office, pick three smart priests to study this conspiracy as I have done for 30 years, and from this office issue a bulletin at regular intervals to guide the whole Church, so that they would know what was going on, and what to do and not to do. Now they are in a mess, as this booklet will plainly show you.

Priests and many editors of Catholic publications who are looked up to, have been telling Catholics not to join an anti-communist movement; that we of the Right Wing are fanatics. But the Left Wing has such sturdy minds that every appointment for Washington is picked from the radical Left. God have mercy on this country!
